

Rule Pump Warranty

Automatic Pool Covers offers the powerful 110 volt 1800 GPH automatic submersible pump manufactured by Rule Pump Industries. Its specially designed strainer base offers optimum filtrations to quickly removed any unwanted leaves or debris off the pool cover. This highly versatile pump can be quickly installed with a garden hose. Rule Pump Industries guarantees all their pumps to be free from factory defect or malfunction for three (3) full years from date of purchase.

For more information, please refer to the instruction guide supplied with your Rule pool cover pump. Or you may visit their website at www.rule-industries.com
